Print, copy, scan, fax, digital send

HP Color LaserJet Managed MFP M775zm

HP Managed MFPs and printers are optimised for managed environments. Offering increased monthly page volumes and fewer interventions, this portfolio of products can help reduce printing and copying costs. See your HP Sales Representative or Authorized Reseller for details.

Expand possibilities with affordable A3 colour

- Upsize colour printing capabilities with media sizes up to A3 for impressive marketing materials and more.
- Impress with bold text and smooth colour—and get the colour output you intended with Pantone® matching.
- Go from zero to done, right at the MFP—print, copy, scan, and fax from the large touchscreen.
- HP ePrint—now print from your smartphone or tablet from virtually anywhere.¹

Boost productivity, easily manage printing

- Boost productivity and reload paper less often with 1,850-sheet paper capacity.
- Automate high-volume print jobs to save time, using the 100-page automatic document feeder.
- Easily manage your business's colour printing with HP Color access controls.²
- Save and print files directly at the MFP via an easy-access USB port.

Streamline workflow with robust scanning

- Improve workflow using touchscreen controls to preview, edit, and digitally send documents at the device.³
- Streamline tasks—print, copy, fax, and scan projects directly at the MFP's large colour touchscreen.
- Incorporate paper documents into digital workflows—easily send scans to fax, e-mail, or network folders.
- Efficiently capture the right content—remove blank pages in scanned documents to avoid wasted paper.

Invest in robust security that grows with you

- Extend the capabilities of workteam print environments, using a rich array of easy-to-integrate solutions.
- Boost printing and imaging safeguards and protect business data with fleet-level security solutions.
- Add security solutions—such as card and badge readers—through the hardware integration pocket.⁴
- Help control expenses with energy-saving features.5

- ³ HP Digital Sending Software must be purchased separately.
- ⁴ Solutions deployed through the hardware integration pocket may require additional purchase.

¹ Requires an Internet connection to HP Web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see https://example.com/go/eprintcenter). Mobile devices require Internet connection and e-mail capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades.

Colour access control capabilities vary from device to device.

⁵ Savings from Instant-on Technology, compared with products that use traditional fusing and from Instant-on Copy, when compared with products that use traditional fusing and cold cathode fluorescent lamp copying.

HP SureSupply⁹

Discover how HP SureSupply redefines convenience in purchasing printer

To order online, please visit hp.com/apac/oac for more details.⁹

- Measured using ISO/IEC 24734, excludes first set of test documents. For more information see bp.com/go/printerclaims, Exact speed varies depending on the system configuration, software application, driver, and document complexity.
 Requires an Internet connection to the printer. Feature works with any connected Internet- and email- capable device. Requires HP Web Services Account.
 Registration. Print times may vary. For a list of supported documents, and image types, see bp.com/go/politions. Supports the following devices running iOS 4.2 or later: iPad⁶, iPad⁶ 2. iPhone⁶ (365 or later), iPod touch⁶ (37d generation or later). Works with HP's Air Print⁶ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. Air Print, the AirPrint Logo, iPad, iPhone, and iPad touch are trademarks of Apple⁶ Inc., registered in the U.S. and other countries.

 First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see bp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

 Based on standard IU1-T test image #I at standard resolution and MME encoding, the HP Fax device can transmit at 3 sec/page for V.134 and 6 sec/page for V.17

 Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other IPL Laserlet or HP Color Laserlet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

 HP Laserlet or HP Color Laserlet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

 HP commends that the number of printer pages per month to image the printer and void the product warranty. Power consumption value in Auto-Off mode is fo

- wary while checking network packets for print jobs.

 Declared yield value in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information, visit

hp.com/go/learnaboutsupplies
Available in selected countries only.
